## Chinese New Year Show a Hit

The Chinese New Year is a busy time filled with festive programs across different communities and Somerfield was no exception with residents enjoying a late afternoon show put on by the local Chinese theatre group Hong De Lion including music and fire crackers.

As legend goes: a monster would appear every spring terrifying the

villagers. One year the villagers burnt bamboo to keep warm but the monster was so frightened by the sound of burning bamboo that it left and the villages were safe.

Today, firecrackers are a popular custom performed to scare off evil spirits and celebrate the coming of the New Year and these were a hit with both young and old.

The Chinese New Year celebrations took place by the lake at the front of the estate within easy walking distance for all residents.

## AUSTRALIA DAY CELEBRATIONS

All over the country Australians celebrated Australia Day and Somerfield was no exception with residents coming out to mix and enjoy the range of fun activities on at Pirate Park.

The fun kicked off at 1 pm with drinks and the patriotic Australia Day BBQ! Once the eating was done the adults relaxed as kids enjoyed a terrific football clinic put on by players from the Keysborough Pirates Football

Club. The President and members from the junior club came down to meet locals and we're sure they kept an eye out for any early talent on display!

The Somerfield Residents committee has several events scheduled throughout the year tying in with key public and other social and cultural events providing regular opportunities for new residents to meet others in the community.

For future events in 2014 check the Somerfield website and Facebook page. If you are able to help out or have an idea for an event or require further information please email [socialclub@somersfield.com.au](mailto:socialclub@somersfield.com.au) or call Rolando on 0432 500 935.
