

SOMERFIELD
—
TOWNHOMES

Low maintenance easy living

Somerfield Townhomes are architect designed and are low maintenance, both inside and out. You'll be able to relax and enjoy your weekends, lock-up and leave to travel, and have plenty of time to spend with family and friends.

First Impressions

Drive down the broad tree-lined boulevards of Somerfield
to your beautiful new architect designed townhome.

Beautiful on the inside

Meticulous interior design provides gourmet kitchens, luxurious bathrooms and spacious, free-flowing interiors with space to relax and entertain.

Attention to detail

Our architects have carefully designed every detail in every home. Luxurious Somerfield Townhomes feature impressive entrances, spacious floor-plans, full sized bathrooms, family living areas and plenty of storage. We've taken care of the details by including quality finishes and landscaping. The result is relaxed, low maintenance, luxury living.

Acres of parkland

Step outside your beautiful new Somerfield home and stroll along winding footpaths amongst acres of leafy parkland, wetlands and landscaped open spaces. Play with the kids in the Pirate Adventure Park, shoot some hoops on the basketball courts, kick a football, enjoy a bike ride or head down to the nearby beach.

Everything at your doorstep

Few locations offer the lifestyle you will enjoy at Somerfield. Set in an established area, you will find everything you need is nearby with easy access to quality schools, cafés and shopping. Plus a new Woolworths Shopping Centre including a selection of specialty stores is being built within easy walking distance. Somerfield is around 25 minutes from the CBD, 8 minutes to the beach and right on the doorstep of the marvelous Mornington Peninsula.*
